

Charges for this Fund

The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest.

Entry charge	5.00%
Exit charge	0.00%

This is the maximum that might be taken out of your money before it is invested (Entry charge) or before the proceeds of your investment are paid out (Exit charge).

Charges taken from the fund under certain specific conditions

Performance fee	N/A
-----------------	-----

The entry and exit charges shown are maximum figures. In some cases (including when switching to other funds) you might pay less - you can find out actual entry and exit charges from your financial adviser.

The ongoing charges figure is based on expenses for the period ending 31 July 2024 and may vary from year to year.

The ongoing charges figure includes any portfolio transaction costs which the Fund pays to its service providers (e.g. to the Fund's custodian) and any entry/exit charges the Fund pays when buying/selling units in another fund. In general, however, the figure excludes other portfolio transaction costs.

The ongoing charges are taken from income. Should income levels be insufficient, investments in the Fund may be sold to cover the Fund's expenses, its capital assets may be used to meet ongoing charges and the value of your units would be reduced.

For more information about charges please see Section 7 and Appendix I of the Fund's Prospectus, which is available from the ACD at WAY Fund Managers Limited, Cedar House, 3 Cedar Park, Cobham Road, Wimborne, Dorset BH21 7SB or, during normal business hours on 01202 855856. The Ongoing charge shown above does not include an amount relating to the cost of investing in closed-ended vehicles, such as investment trusts (where a fund holds such assets), which are typically fund-style assets listed and dealt on an investment exchange (e.g. the London Stock Exchange). These costs are, however, shown separately on the 'Fund Charges and Costs' document to be found on our website at www.wayfunds.com, under 'Important Information'. The relevant column is 'Closed-ended funds - Synthetic costs'. If that figure is zero against a fund, it means that the fund is not investing in closed-ended funds.
